AQUA DART

BY AQUADART BATHROOMS

Aquadart features the latest **premium** shower enclosures, bath screens and shower tray designs with uncompromising attention to **detail** and **quality materials** across all ranges.

From our comprehensive **6mm** and **8mm** enclosure ranges to the luxurious **10mm** ranges, Aquadart provides a **solution** for every bathroom in every home.

AQUA DART Clean&Clear™ Easy Clean Glass Treatment

Our Clean & Clear™ glass protection system is both innovative and highly beneficial. It creates a protective barrier which is applied to all Aquadart enclosures and bath screens as standard. The 'non-stick' surface resists lime scale build-up and water spots whilst reducing the need to clean by half.

AQUA DART

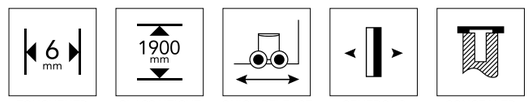

venturi 6

Venturi 6 has a **comprehensive** collection of enclosures. Mixing quality materials with stylish designs, this **extensive** range from Aquadart will provide a stylish addition to your bathroom.

Please Note: When adding a side panel this changes the adjustment by +7mm

CONCEALED SHOWER VALVES

All showering products marked [w] are WRAS Approved on the valve only.

Features

Flow and temperature are controlled separately

Thermostatic cartridge maintains showering temperature to +/- 1 °C

Automatic shut-off in the event of cold water supply failure, to prevent scalding

Temperature factory set to a 38°C to eliminate the ability to select an unsafe temperature

Built-in isolating valves enable product to be serviced from the front with disrupting the supply

We strongly recommend the use of our wastes with our baths as we cannot guarantee other wastes will fit our baths.

BATH WASTE GUIDE

Non Exposed

A non exposed waste fits to the bath but cannot be seen. Waste 7401 is a non exposed Plug & Chain waste, 7402 is a non exposed Pop Up waste and 7403 is a non exposed Click Clack waste. These wastes are manufactured in plastic and the only parts seen are the parts which will be fitted to the inside of the bath.

Exposed Wastes

Exposed wastes are designed to be on display. They are not only functional but also stylish. Exposed Plug and Chain 7404, exposed Pop Up waste 7405 and exposed Click Clack 7406 are examples of exposed wastes.

Click Clack Wastes

This waste is opened or closed by pressing on the waste cover. The Click Clack wastes are available in exposed and non exposed options.

Pop Up Wastes

This waste is opened or closed by simply turning the overflow. The Pop Up wastes are available in exposed and non exposed options.

P Trap

P traps are fitted to the waste tail underneath the bath. It releases the water out of the bath and down to the outlet pipe. The P shape allows a little water to remain in the bottom of the trap to stop any foul smells venting back up into the bath from the soil pipe. This comes supplied only as an exposed version in either shallow or ultra shallow format.

Exposed L Pipe

This is an exposed outlet pipe which connects to the P trap and goes underneath the floor to connect to a plastic outlet pipe. The pipe is for exposed use and fits with all the other exposed waste pipes.

Pipe Shrouds

There are two different types of pipe shroud we provide. Telescopic 7411; these pipe shrouds are used when tap holes are drilled in the bath. Over edge pipe shroud 7412; these pipe shrouds are used when there are no tap holes in the bath.

Exposed Telescopic Pipe Shroud Kits

The Pipe Shroud Kits (7414 & 7415) are both exposed versions and include an exposed waste, telescopic pipe shrouds and a P trap. The difference between the two is that one kit has a plug and chain waste and the other kit has a pop up. These kits are a complete set, instead of ordering everything separately.

INSPECTION
Any products purchased must be checked on delivery or collection and any issues with damaged or missing products must be reported to us within 48 hours of inspection. If our products are damaged, they should not be installed. We will not consider any replacement requests for damaged products that have already been installed.

CONTINUOUS IMPROVEMENT
In line with our policy for continuous improvement, we reserve the right to alter or amend any product specification and prices without prior notice.

Colours are as accurate as the printing process will allow. Where products are stated as 'chrome' or 'gold', this refers to the finish colour and not material.

PLEASE NOTE
In the unlikely event that the product fails within the guarantee period we will replace the part (or nearest equivalent) of the product which has failed. Notice must be provided in writing detailing the product failure along with the original sales invoice as proof of purchase when relying on this guarantee. Liability is limited to individual products and does not cover consequential loss or damage, installation costs or financial compensation. The customer will be required to pay for the cost of installation of the replacement part. The guarantee is in addition to and does not affect your statutory rights. Further terms and conditions are available upon request.

PRICES
The prices included within this brochure supercede all previous publications with goods being invoiced at prices ruling on date of dispatch. Prices shown are inclusive of VAT and are subject to alteration without notice.

ENVIRONMENTAL
We care about the environment and our environmental impact through sourcing products, recycling & waste and as a company we are ISO 14001 and ISO 9001 registered.

AQUADART

GUARANTEE
Aquadart guarantees cover all manufacturing defects. This guarantee does not cover damage during fitting or misuse. The guarantee applies only to the original purchasers of the product and is not transferable. All shower enclosures carry a lifetime guarantee when fitted with an Aquadart shower tray. A 10 year guarantee will be given when fitted with any other manufacturer's tray. Wetroom panel guarantee applies as above. When panels are installed without a tray, a lifetime guarantee applies. All shower trays carry a lifetime guarantee.
To register your guarantee visit **www.aquadart.co.uk** where you will also find our terms and conditions.

DEVELOPMENT
In the interest of continuing design and development and product improvement, Aquadart reserve the right to change colour, designs and product specifications without prior notice. All colours in this brochure are as accurate as the printing process will allow.

USAGE
For reliable, watertight performance from your Aquadart enclosure your shower head should not be positioned so that the shower sprays directly onto the enclosure door. Failure to comply with this may cause the shower to leak.
Outward opening doors may cause water to drip onto the floor, please ensure that the floor covering immediately outside the enclosures will not be affected by water.

MEASUREMENTS
All dimensions are in millimetres & are nominal, they are provided as guidance only. Please note: measurements are not suitable as template for mosaic tiles/bespoke wetroom floors.

STANDARDS
All products are manufactured in accordance with ISO 9001 and ISO 14001. All glass fully conforms to the relevant EN standards for toughened safety glass. All aluminium sections are extruded from alloys which comply with relevant EN standards. Doors and enclosures are tested in accordance with the relevant EN standards and are suitable for use with modern power showers. Profiles are adjustable to compensate for out-of-true walls, please see specific product details for levels of adjustment. Products are supplied with full installation instructions and fixings.

CLEANING INSTRUCTIONS
It is important to clean your Aquadart shower enclosure after every use. Please wipe down all the glass and metal parts with a clean soft cloth. Ensure that all residual water on the glass is removed after every use.

CLEAN AND CLEAR™
Clean and Clear™ glass can be cleaned with any suitable non-abrasive glass cleaner - with PH value of between 3-11; the coating will not be damaged. Avoid surfactants and heavily perfumed products. Vinegar and water based products are very effective. Do not use abrasive scrubbing cleaners or equipment for cleaning. Install your enclosure in a well ventilated area.

ELATION

GUARANTEE
All our furniture ranges are covered by a 5 year guarantee and our LED illuminated mirrors, cabinets and bath panels are covered by a 2 year guarantee from the date of purchase. Toilet seats are covered by a 12 month guarantee. This guarantee does not cover damage during fitting or misuse. Products must be installed and cared for as detailed in the fitting instructions. The guarantee applies only to the original purchasers of the products and is not transferable. The guarantee is limited to domestic users only, items should not be exposed to extreme heat, moisture or poorly ventilated areas.

DEVELOPMENT
In the interest of continuing design and development and product improvement, Aquadart Bathrooms reserve the right to change colour, designs and product specifications without prior notice. All colours in this brochure are as accurate as the printing process will allow.

USAGE
It is important that your furniture is installed in a well ventilated room fitted with a suitable extractor fan. Please make sure that the furniture is dry after use, as with all furniture it will deteriorate over time through excessive water spillage. We do not recommend the use of chemical cleaning products or abrasives on our furniture or basins.

MEASUREMENTS
All measurements are in millimetres and are nominal, they are provided as guidance only as all products are subject to manufacturing tolerances.

ELECTRICAL
IMPORTANT: All electrical installation work **must** be carried out by an approved qualified electrician. Under **no** circumstances should any electrical work be carried out by unqualified persons.
All electrical components are suitable for **outside** of Zones 1 & 2 bathroom use only.
After a period of time the light will become hot, do not touch the light until it has been turned off and allowed to cool.

LED ILLUMINATED MIRRORS
Our LED Illuminated Mirrors are IP44 rated, all installations must comply with the guidelines in the zonal concept.

All component and manufacturing instructions supplied with the electrical products must be followed at all times and the product installed within the correct Zone as required by electrical regulations. All electrical products and components supplied must be protected by a 30MA-RCBO (RCD) breaker.

All electrical products are certified to the appropriate BS–EN standards.

NIAGARA | TREMERCATI

GUARANTEE
Niagara® and TreMercati guarantee covers all manufacturing defects. The guarantee requires that this product be used in the manner for which it was intended and that it is installed and maintained in accordance with the fitting instructions and local water bylaws. This guarantee does not cover damage during fitting or misuse. The guarantee applies only to the original purchasers of the product and is not transferable. All Niagara® and TreMercati chrome taps, shower sets and shower valves carry a 10 Year Guarantee. Diverters, cartridges, hoses, handsets, headsets, accessories, bath wastes and products with finishes other than chrome are covered by a 2 year guarantee.
To register your guarantee visit: www.aquadart.co.uk

ERRORS & OMISSIONS
In the interest of continuing design and development and product improvement, Niagara® reserve the right to change colour, designs and product specifications without prior notice. All colours/finishes in this brochure are as accurate as the printing process will allow.

MEASUREMENTS
All dimensions can be found on our website, they are provided as guidance only.

WASTES
Wastes are not supplied with freestanding taps, wall mounted taps, bath taps, bath fillers & bath shower mixers.

CLEANING INSTRUCTIONS
Clean with a soft cloth and avoid surfactants and heavily perfumed products. Do not use abrasive scrubbing cleaners or equipment for cleaning. This could invalidate your guarantee.

APRIL

BATH GUARANTEE
All baths carry a 10 Year guarantee. This guarantee does not cover damage during fitting or misuse. The guarantee applies only to the original purchasers of the product and is not transferable.
To register your bath guarantee visit: www.aprilproducts.co.uk
